PAPER SUBMISSION

Your submission is now completed.

Shortly you will receive an automatic submission summary of your file submission.
It will provide you with your Reference number, a unique Access code, and the link that will enable you to access to your file and author entry forms.

The Secretariat will process your request and send you an official confirmation when your submission is received.
If, in the next 5 days, you have not received a confirmation, it will be very important to contact us. You have until the submission deadline to update those data and upload the latest version of your paper.

This is not your official confirmation

Reference number: 388-sPWM-151
